v.

JURISDICTION

This new cause of action happened in New Hampshire. The Complaint that is before the Court is under 42 U.S.C. 1983.

PARTIES

1. Josephine Amatuucci, P.O. Box 272, Wolfeboro Falls, NH 0386
2. Robert Maloney, address unknown, sued individually;
3. Town of Wolfeboro, 84 South Main Street, P. O. Box 629 Wolfeboro NH 03894 Sued officially;
4. Police Chief Dean Rondeau, 251 S. Main St. Wolfeboro NH 03896, sued individually and officially;
5. Belnap Sheriff's Dept. sued OFFICIALLY;
6. Sargeant William Wright, sued individually and officially;
7. Prosecutor Estes, sued officially and individually.

RELEVANT FACTS (*FRAUD*)

8. This is an independent action based on a MALICIOUS INTENT. Malicious Intent refers to the intent, without just cause or reason, to commit a wrongful act that they knew would result in harm to another. Where the defendants maliciously and without probable cause and in an abuse of process, with Reckless Indifference accused the Plaintiff of a crime they knew she never committed, and that they knew would cause her injury.
9. That the defendants knew that the Plaintiff did not commit an Assault with Bodily Injury yet with Deliberate Indifference they filed a Complaint in the court falsely accusing her of this crime, with the INTENT to cause her injury.
10. That the Plaintiff did suffer serious injury when the court believed their malicious accusation of causing BODILY INJURY and the harm was that the Plaintiff was convicted of this ACT, that she never committed.
11. Therefore, the Plaintiff is suing the defendants for Malicious Intent, for Deliberate Indifference, for a Monell claim, as where they are policymaking officials, the Town of Wolfeboro and the Belnap Sheriff's Department are liable under a Monell claim, for the Acts of the policymaking officials in this lawsuit. Where their Acts violated her Constitutional rights, for the violation of the Fourth Amendment for her unlawful detainment due to this Act, and for violation of Due Process when even one act by a policymaking official constitutes liability for the Town and Sheriff's dept. under Monell.
12. And for causing her serious mental anguish,
13. The Plaintiff is asking for a jury trial for damages in this egregious conduct, *OF FRAUD* in the amount of \$500,000.00, due to the severity of the malicious act. See case 449 for further details.

Respectfully,

Josephine Amatucci
